My dear Albert — I do not know where any Korean stick ink can be had or purchased — The importer has not been able to get a stick since the Russian-Japanese war — I offered to buy 500 sticks from him.

Yours

M. A. Albin Esq.,
Portland, Oreg.

My dear Sir, — Your favor at hand. I am not doing anything in the way of ornamental writing at present, and have'nt for the past 10 yrs.

In regard to the specimens of work you secured from Mr. Harshbarger, I would rather you'd not publish them. —

There are so many young penmen now before the public who should have the preference, that I cheerfully resign in their favor.

I question my ability to do
justice in an article on the
subjects you mention, and would
suggest Mr. Flickinger of Phila.,
as one capable of warming up
to the right degree of enthusiasm.
Knud Thornburgh, 469 Bway.,
Paterson, N.J. could give you
something inspiring on the
subject of "The Penmanship Teacher."
For the present, I am prac-
tically out of harness, so far
as writing is concerned, and
I fear you'll consider my
non participation, in your well
deserving enterprise, as some-
what churlish), I assure you
of the contrary — it is simply
because I'm not in line.

With sincere good wishes.

Yours, L. Madaras

I have refused so many other persons and publishers to contribute, that were I to comply in one case, I'd have to in all.

There is a standing of several hundred dollars from a publisher for a series of lessons by me.

My dear Albin, —

Yours of 23 to hand. The cost of 1400 envelopes addressed in my professional writing will be 2½¢ each net — i. e. without any expense to me for carriage. —

As the matter inclosed in them ill be entirely appertaining to your business, I'd advise leaving off my name — not but that I'd like to have it appear, but it might detract from the drawing power of your advertising mallet to me in another name than your own.

I, of course, will give you conscientious work and would want a leeway of $ or 10

days — as I've other daily work requiring
my time which must be attended to. And
I'm only able to put in 3 hours work
per day. My health is so poor that
I can only play at work munday.
I'm practically on the shelf.
See that the envelopes have plenty of room and
are of good writing quality.

Sincerely yours.

L. Madaras.
